Dear Parents and Students-

Starting Monday, September 14, 2020, Bluffton Schools will be participating in the federal meal program that will temporarily offer free breakfast and lunch to **ALL STUDENTS**. This program is expected to run through the end of the calendar year, December 31, 2020. If we get word that the program is terminating sooner, we will alert families immediately. This program was extended to schools as a response to economic concerns brought on for many families by the COVID-19 pandemic.

Students who have balances on their accounts, will have those balances retained until we resume paid lunches. Balances and additional funds may continue to be deposited into accounts for additional ala cart menu items beyond the basic lunch or to buy anything extra.

Please let us know if you have any questions.

Sincerely,

Greg Denecker
